

## **MEET THE COACHES**

**Name:** Kyle Rendall

**Nickname:** Mourinho

**Age group you coach:** U20s

**Football team you support:** Manchester United

**Footballing idol growing up:** Mark Hughes

**Best football match you ever attended:** Northern Ireland beating England at Windsor park

**Best football memories:** 5 years ago, the night we stayed up against Bangor at Milltown, unbelievable emotions.

**Why/how did you become a coach and what do you enjoy most about coaching:** I started an adult team when I was 15/16, so even when I was playing, I've always been coaching or managing. The thing that I love most about coaching is seeing the players try new things and how they overcome challenges set to make them better players and people.

**What's the best thing about being a coach at Warrenpoint Town FC:** Simple – its like a family.

**What advice or tips would you offer young footballers:** If Edison took 10,000 attempts to make a light bulb, as long as you keep working hard you can make it. Most players are good footballers, but those who make it as professional footballers are those who work hard everyday and listen even when they might not agree.
