

MEET THE COACHES

Name: Sean Waters

Nickname: None

Age group you coach: U16s

Football team you support: Celtic

Footballing idol growing up: Henrik Larsson

First football match you ever attended: Celtic v Airdrie 1992

Best football memories: As a fan watching Celtic win the league in 1998 and attending the champion's league final at Wembley when Barcelona played Man United.

As a player winning numerous titles and cups playing alongside a close group of friends for Warrenpoint Town FC. Everyone in that team had grown up together, we dominated in mid ulster and went up through the divisions together to championship football which we probably didn't appreciate at the time but is great to look back on now.

Why/how did you become a coach and what do you enjoy most about coaching: I always felt it was something I wanted to do when I stopped playing. I got involved when Marcus asked me to help him at Windmill Stars and again at the Point. I enjoy watching and analysing what is going on in the sessions and picking up things that you can't always see when in the middle of it, but for me the best thing is still the match day.

What's the best thing about being a coach at Warrenpoint Town FC: For me the best thing is simply that it is Warrenpoint Town. My hometown club and the club I always wanted to play for and be involved with.

What advice or tips would you offer young footballers: Always try to use both feet from a young age. It is a good advantage for players to be able to be 2 footed. Gives them more opportunities to play in various areas of the field. Listen to what your coaches are telling you as it is all for your benefit. Lastly, concentrate on improving the weaknesses in your game. It is easy to focus on the things you are already good at.
